Challenge # 3 – Fine Designs

KS1/2 In this book by Chris Van Dusen, a boy imagines how he could improve his family car. He adds jet engines, a snack bar, a submarine function ...

What everyday items could you 'improve'? Explore a range of cultures and history for design ideas. For example Leonardo was a super inventor and drew helicopters - or what about the Mayans or Ancient Egyptians?

Draw or collage and annotate a graphic novel showing the changes you'd make. Be as creative as you like. This book rhymes - yours doesn't have to!
