WINTER

The activities listed below are to be used over the course of a week. Try something different every day, but there is no expectation that you complete all of them. Sing or say the rhymes every day. Have storytime every day. Try to fit in the exercise routine every day – a la Joe Wickes!!!

NURSERY RHYME –

THE NORTH WIND DOTH BLOW

The North wind doth blow,
And we shall have snow.
And what will the robin do then, poor thing.
He'll sit in a barn and keep himself warm.
And hide his head under his wing, poor thing
