

## HOME LEARNING – W/B 4/1/21

### SPIDERS

The activities listed below are to be used over the course of a week. Try something different every day, but there is no expectation that you complete all of them. Sing or say the rhymes every day. Have storytime every day.

#### NURSERY RHYME –

#### **INCY, WINCY SPIDER**

Incy, Wincy Spider, climbed up the water spout,  
Down came the rain and washed the spider out.  
Out came the sunshine and dried up all the rain.  
So Incy, Wincy Spider climbed up the spout again.

OUTDOORS – If it is a frosty day, go outside to look for spider webs.

Look at the shape and size. Can you see the spider? Is there anything in the web?

CREATIVE – Can you make a spider? What shape will his body be? How many legs will he need? How will you stick the legs onto the body? What colour is your spider? What is his name? Is he a happy or sad spider?

LISTENING AND ATTENTION ACTIVITY – Go outside and listen. What sounds can you hear? Can you hear a dog, birds, cars, an aeroplane, people? Can you hear a loud sound, a quiet sound?

It helps to close your eyes when you listen. Try it for 5 minutes. Write down the sounds that you hear.

HEALTHY MOVERS – Can you move like a spider? Get down on your hands and feet and try to move. Don't put your knees on the floor!!! Can you move forwards, backwards, sideways? Set up an obstacle course around the room for your child to negotiate when moving like a spider. Can the spider go under the table, around the chairs?
